In this article, I review Emergency Cash Booster training product by Ivana Bosnjak.

First, check out this interview I had with Ivana about the product.

The product

My review

So when I reviewed Emergency Cash Booster, at first I wasn't sure this is the right product to promote because I skimmed through it quickly and didn't give it its fair share of attention. I thought it's another one of those rehased training courses, although I know Ivana doesn't

usually sell products like that.

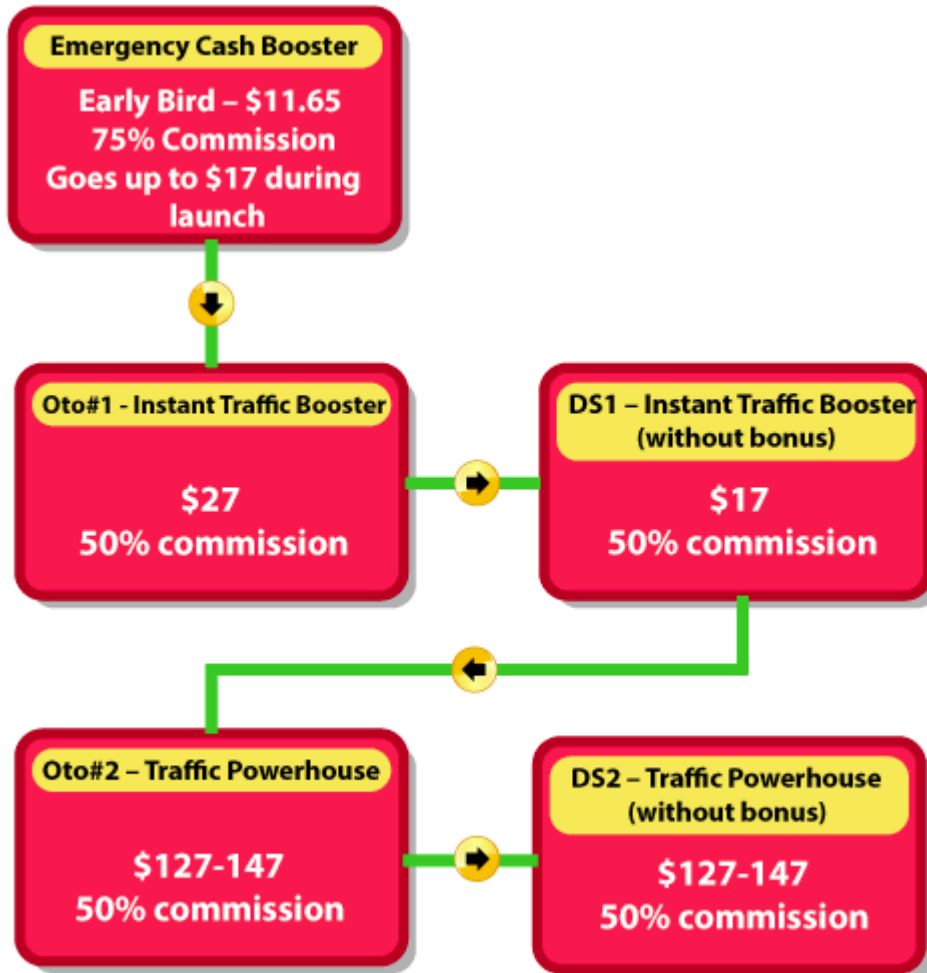

However, I gave the training another shot and to be fair to it, this time around I actually removed all distractions and really listened to the instructions given in the videos and I was hooked!

The approach Ivana took was completely different. She would go out and ask a question to find out what the problem is, then she finds the solution and boom, she cashes in the profits!

I can see why Ivana named it that, because this method is really quick, You can literally pull money within 24-48 hours.

I've actually seen Ivana use this method on Facebook myself and was one of the people who actually spent money with her. So nothing makes this testimonial stronger.

The Funnel

Front End - Emergency Cash Booster

This is a formula Ivana uses to raise CASH whenever she need it... In addition, it is backed up with real case studies. Including how she raised 698 in just 2 days using this same method.

OTO1 - Instant Traffic Booster

Powerful strategy to get real traffic and leads at .35-.45 per optin. There is NO complicated methods to setup this. It takes 30-45 min and everything else is done on autopilot. It works in every niche.

OTO2 - Traffic Powerhouse!

This is advanced coaching on how to get 100% Buyer traffic to your pages and affiliate links. HOW to keep the momentum going for YEARS while outsourcing most of the tasks.

It does require a bit of time or investment which can be as little as \$40 to \$600 (depending which route you go) but in the long run, this is THE best way to go.

The training is backed up by multiple case studies and real LIFE results!

NOTHING beats BUYER traffic!
